# Field Guide To The Chest X-Ray (Field Guide Series)

## Synopsis

This pocket manual is a thoroughly illustrated quick-reference guide to the chest x-ray for the primary care practitioner. It is written by an eminent radiologist who has presented a course on the chest x-ray for internists at the American College of Physicians. The book is organized according to the radiographic findings for specific clinical problems and features 155 images illustrating differential diagnoses. The succinct text correlates the findings on the images to relevant clinical parameters.
