Customer Reviews

Very original and truly beautiful book! Interesting to mention that it is produced by the same designer, Kelly Doe who did Titarenko's previous book and is an outstanding book designer. She is also an Art Director at the New York Times. Titarenko's autobiographical essay is well worth reading. Many images have never been published before and are outstanding.

Beautiful moving images of the city captured in a new way. He uses long exposures in the city to create a mystical look at everyday life.

Thank you!!!!

Great
