# The Comprehensive Guide To Careers In Sports

## Synopsis

The Comprehensive Guide to Careers in Sports, Second Edition provides an overview of what students should consider and expect from the varied career options available to them in sports. This book answers the questions students are most likely to have, including what courses they should take, what areas are available to them, what salary they can expect to earn after graduation, and how they can get the job of their dreams. In the highly competitive field of sports management, it is important for individuals to prepare themselves well and to make the right decisions along the way. Although there are no guarantees of success, this book will increase students'™ likelihood of finding success in the sports industry. Encouraging research and realistic expectations, this book has been developed by an author with many years of experience as a respected practitioner, teacher and internship coordinator.

## Customer Reviews

the book is split up into very short chapters so it is easy to read...just really dry material but that cannot be helped!

Good Product

awesome resource for those who want to get in to sports

HAD TO READ FOR CLASS.
