## Customer Reviews

This EXACT book was previously published as ZenDoodle Coloring Book Relax & Reduce Stress with these Adult Coloring Pages Including Natural Flowers & Women Patterns. The cover has been changed, but it is the same book. Bad enough it's stock images, but trying to trick us, the buying public, into buying the same trash twice is just shameful. If you found my review helpful, please vote "YES" and help me become a better reviewer!

IF YOU HAVE: Zen Doodle Coloring Book: Relax and Reduce Stress with these Adult Coloring Pages including Natural Flowers and Women Patterns by Eleanor Richards... THEN You Have this new coloring book, as it's an exact duplicate. This new coloring book has been repackaged with new color, title rearranged and the same author. However, we are Not being told that it's the same coloring book! We're seeing these new coloring books being sold without notice to us that they're reissues. These "new" coloring books usually, but not always, have different covers, titles rearranged and usually, but not always, the same author name. When we buy coloring books in stores we can look inside to see if we like the designs and check for designs we already have. WHY Not Here On ??

Great free coloring book. I ran across this when looking for adult coloring books. With it being a kindle book it has a download link in it so I can print out the hard copies to color. I love all of the details to color. It will keep me busy for hours on end.

Love this book
