# BIOS Instant Notes In Biochemistry

## Synopsis

BIOS Instant Notes in Biochemistry, Fourth Edition, is the perfect text for undergraduates looking for a concise introduction to the subject, or a study guide to use before examinations. Each topic begins with a summary of essential facts-an ideal revision checklist-followed by a description of the subject that focuses on core information, with clear, simple diagrams that are easy for students to understand and recall in essays and exams. BIOS Instant Notes in Biochemistry, Fourth Edition, is fully up-to-date and covers: Cells Amino acids and proteins Studying proteins Enzymes Membranes and cell signalling DNA structure and replication RNA synthesis and processing Protein synthesis Recombinant DNA technology Carbohydrate metabolism Lipid metabolism Respiration and energy Nitrogen metabolism

## Book Information

Series: Instant Notes

Paperback: 488 pages

Publisher: Taylor & Francis; 4 edition (March 15, 2011)

Language: English

ISBN-10: 0415608457

ISBN-13: 978-0415608459

Product Dimensions: 6.8 x 1.1 x 9.7 inches

Shipping Weight: 1.9 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #724,582 in Books (See Top 100 in Books) #176 in [Books > Textbooks > Medicine & Health Sciences > Medicine > Basic Sciences > Biochemistry](#) #540 in [Books > Science & Math > Biological Sciences > Biology > Molecular Biology](#) #818 in [Books > Engineering & Transportation > Engineering > Bioengineering > Biochemistry](#)

## Customer Reviews

Boils down all the trivia and random facts that textbooks like to give and very neatly summarizes important metabolic pathways. No mechanisms, so if you are looking for a summary of those, this is not your book. Unfortunately doesn't cover protein and amino acid metabolism and lacks detailed information about nucleotide metabolism. All in all, though, if you are looking for something to quickly summarize the most important points of metabolism, go for this book. Recommended.

Bought this for my daughter. She said it was the best thing I could have done for to get thru the

course. Reduced her study time by 75%. Buy it - you won't regret it. Good Luck!
