1st SERIAL KILLERS True Crime Anthology: Kindle Unlimited (Annual Anthology)

Synopsis

****WARNING**** This book contains graphic forensic crime scene photos and statements that some may find very disturbing. Serial killers; they cross the bounds of evil. They murder at random without logic or reason other than the one twisting in their sick and evil minds. They are diabolical vile creatures devoid of morality or pity. You will meet a chosen few of them in these pages. We will see that serial killers are roaming among us all, from small towns to big cities. They are not limited to a particular place, gene pool, culture, social class or religion. They are not restricted to any particular demographic, political propensity and they can be of any gender. Five true crime authors come together to present the first annual Serial Killers Anthology which depicts ten horrific cases of serial homicide told in detail, and includes graphic pictures. Each case will take the reader from the background of the serial killer, to the crime scene, investigation, trial, and sentencing."The lambs may have stopped screaming, but Hannibal Lecter has nothing on the very 'real' monsters presented here." **INSIDE THE BOOK** Introduction Prologue by Dr. Peter Vronsky Timothy Krajcir by Dane Ladwig Frank Spisak by Michael Newton Robert Pickton by RJ Parker Mary Bell by Sylvia Perrini The Bloody Benders by Dane Ladwig Manuel Pardo by Michael Newton Anthony Sowell by RJ Parker Martha Hasel Wise by Sylvia Perrini Elizabeth Bathory by Michael Newton "To cover such vast territory of the criminal mind is a credit to the dedication a small group of determined authors who possess a passion in true crime and it is evident in the pages of Serial Killers True Crime Anthology 2014, a book you will embrace and come back to repeatedly, I will. I am excitedly anticipating volume two next year."-- (John Douglas), FBI Profiler, Retired, Bestseller author of **MINDHUNTER** "What a great line up of true crime authors! A must have for fans of true crime stories or those who write mystery and suspense as a means of research."-- (Tori Scott), bestselling author "The first annual Anthology is fraught with invaluable information and detail for those who want to have a better understanding of the criminal mind. This book is a must read for true crime buffs."-- (Joe Bruno), true crime writer and historian "The **SERIAL KILLERS TRUE CRIME ANTHOLOGY 2014** proves once and for all that truth isn't just stranger than fiction, it's also plenty scarier. This thorough treatise on a truly terrifying subject is as chilling and stomach-churning as it is relevant and timely. The contributors have fashioned a mind-numbing, masterful work that's destined to become a classic. The lambs may have stopped screaming, but Hannibal Lecter has nothing on the very real monsters presented here."-- (Jon Land), bestselling author of **THE TENTH CIRCLE** and true crime book **BETRAYAL** Now **FREE** to Read Using Your Kindle Unlimited Membership | Kindle eBook is **FREE** when you purchase the Paperback edition

Customer Reviews

This book presents new writing on serial killers - ten accounts by five true crime authors - some new to the game, some who have been around for a while. The serial killer cases covered range from well known to less known but all the writing is fresh and cutting edge. There is something here for everybody. This is a collective effort by the authors to self-publish their work together and even though there are a few minor typos, this is a surprisingly polished and professional volume. This 2014 Anthology is hands down some of the best writing on serial killing that I have read this year. Highly recommend it if you are interested in the 'latest' on serial murder today. If you liked Michael Newton The Encyclopedia of Serial Killers... Rope: The Twisted Life and Crimes of Harvey Glatman and Silent Rage; if you liked Peter Vronsky Serial Killers: The Method and Madness of Monsters and
