# The Shadow Puppet Theatre Of Malaysia: A Study Of Wayang Kulit With Performance Scripts And Puppet Designs

## Synopsis

This comprehensive book explores the Malaysian form of shadow puppet theatre, highlighting its unique nature within the context of Southeast Asian and Asian shadow puppet theatre traditions. Intended for a Western audience not familiar with Asian performance and practices, the text serves as a bridge to this highly imaginative form. An in-depth examination of the Malaysian puppet tradition is provided, as well as performance scripts, designs for puppet characters, instructions for creating a shadow screen, and easy directions for performance. Another section then considers the practical, pedagogical, and ethical issues that arise in the teaching of this art.
