Property Adjusting: A Beginner's Guide (Adjuster Manuals Book 3)

Synopsis

Property insurance claims are submitted by the thousands daily across the country. Every claim needs to be handled by an insurance company and the people who deal with those claims are called Property Adjusters. Some might say that insurance is boring. Consider that houses burn down, floods destroy neighborhoods and hurricanes can destroy an entire city. When those things happen, the adjuster's job is anything but boring.

Book Information

File Size: 2664 KB
