# Catholic Churches Of Detroit (MI) (Images Of America)

## Synopsis

Detroit was once known as the City of Churches. From a primitive log chapel on the banks of the Detroit River three centuries ago to the contemporary structures in the far-flung suburbs, the Catholic churches that grace southeastern Michigan pique the interest and admiration of designers, artists, and scholars. Detroit's Catholic churches have embraced many roles during their existence, serving as historical landmarks, centers for political activities, community charities, and anchors for the city's diverse ethnic groups. They symbolize the devotion, strength, and unity that have nurtured the faithful since 1701. The congregation of Ste. Anne, Detroit's first church, persevered to build seven churches over two centuries, each more magnificent than its predecessor.

## Book Information

Paperback: 128 pages

Publisher: Arcadia Publishing (February 24, 2004)

Language: English

ISBN-10: 0738532355

ISBN-13: 978-0738532356

Product Dimensions: 6.5 x 0.3 x 9.2 inches

## Customer Reviews

Buyer beware!!!! I figured this book would show the INTERIORS of the churches, but it is 99% the OUTSIDE of the church. I could care less about that. I wanted to see the interiors, the altars, chapels, etc., etc. A major disappointment. I have no further use for it after having seen it. Glad I got it for a very low price. It will go to the library for their monthly sales.

There wasn't much history included-- bought this because my VERY Catholic grandparents, who were very active in their church (Sacred Heart) came to Detroit in 1905. There was little information about the church in that era and the neighborhoods and people it served. :(

Very disappointed. Expected color photos showing the beauty of the interiors of the historic churches. Cover is misleading. Bought it as a gift that I now can't use.
