Customer Reviews

I love hearing my husband play these tunes, but he struggles with some of them, even though they are "easy". He is a good piano player (can play church hymns and Les Mis, etc.) well. Item arrived on time and in good condition.

The songs are good; however, doesn't really work on the kindle. You think it would be cool to just slide the sheets of music; however, it doesn't work that way. The kindle will first go into a zoom mode to even read the music then you have to close the zoom mode to switch pages and then zoom again. Get the hardcopy...sheet music and kindle (On iPad) does not work that well.

My granddaughter loves Broadway show songs. She knows dozens of shows. I wanted to teach her how to play some favorites on the piano. BEST BROADWAY SONGS EVER (EASY PIANO) did the trick. Great songs. Easy reading. Teaching my 5 year old to play is a pleasure.

Ton of songs for the price, relatively easy arrangements that sound more complicated than they actually are to play. I'd recommend it!

Excellent selection of songs and easy to play on the piano. Perfect for the singer and teacher. -

Not as "easy" as they say. I am teaching myself and it is pretty well designed for the intermediate player.

I'm excited that it came so fast (literally in two days) and is in FANTASTIC condition!! I'm a theatre teacher and learning piano is my new outlet... what better way to do it than with BROADWAYYYY!!!

This was a Christmas present for my Broadway obsessed, piano playing daughter last year. She still plays these tunes almost daily! Great buy.
