# Health Insurance Today: A Practical Approach, 5e

## Synopsis

With an emphasis on preparing and filing claims electronically, Health Insurance Today, 4th Edition features completely updated content on ICD-10 coding, ARRA, HI-TECH, Version 5010, electronic health records, the Health Insurance Reform Act, and more. The friendly writing style and clear learning objectives help you understand and retain important information, with review questions and activities that encourage critical thinking and practical application of key concepts. Clear, attainable learning objectives help you focus on the most important information. What Did You Learn? review questions allow you to ensure you understand the material already presented before moving on to the next section.
